DIGITAL BRAND GUIDELINES

Primary Digital Brand Colors

The primary digital brand color palette is derived from our landmarks. With a consistent and appropriate use of this color palette, our communications are enhanced and contribute to our evolving brand story and identity.

Innovative medical training that inspires.

Here at Anderson University, we strive to be as innovative as possible. Incorporating state-of-the-art technology that will help you succeed in your field. We have acquired the Anatomage Table that has 3 cadavers that have been digitally updated to this 5-foot touch screen. This will allow you to dissect from the skin down to the bone and vascular system in conjunction with our physical cadaver lab.
