**Enrollment Exception Info:**

Please provide a brief rationale for the enrollment exception request(s) below.

**#1: Time Conflict** – Only for use when two graduation requirements conflict, with no other sections offered. Students must discuss with both instructors how the overlapping time will be managed and obtain permission/**signatures from both instructors.**

Course Prefix	Course #	Section	1. Instructor Signature	2. Instructor Signature	3. Academic Advisor Signature

**#2: Override Course Capacity** – The Advisor’s signature verifies that the student (**normally with Sr. standing**) can meet graduation requirements **only** by enrolling in this course/section. This form is not to be used for preferences in times, instructors, or courses when other registration options are available. Students already enrolled in another section of the course should use the **waitlist in Workday.**
