

ROTATING SESSIONS

We want you to know about campus life and some of the resources offered at AU. During Base Camp you'll pick four sessions that interest you. Listed are the session topics that will be available, feel free to plan ahead or go with the flow!

Campus Ministries

Learn how AU cultivates a growing and enduring faith among students through corporate worship, biblical discipleship, and missional living.

Campus Safety & Trojan Transit

Learn how AU's Campus Safety delivers professional police and security services, while faithfully serving Jesus Christ and supporting the well-being of every student.

Center for Career Development

Empowering students with resources, guidance, and opportunities to pursue jobs, internships, and career goals with confidence.

Center for Global Engagement

Learn about the range of opportunities you have to study abroad.

Center for Student Success

Learn about academic support and accessibility services.

Diversity, Community, and Inclusion

At Anderson, we celebrate diversity of God's Kingdom through uncommon unity.

Life Outside the Classroom

Learn about all things Student Activities, Student Government Association, Campus Recreation, and the First Year Experience.

Our Website: A Family Feedback Session

We're working to create a better digital experience for prospective students, families like yours, and our community partners—and we need your input. As a thank-you, you'll receive an exclusive AU t-shirt!

Parent Association

Connect and learn with other parents as your student enters their first year at Anderson University!

Residence Life

Meet AU's Residence Life team and ask questions relating to housing and life on campus.

Student Employment

Learn about AU's Student Employment Program and find out what opportunities are available to you.

Thrive Wellness

Learn more about the university health center, counseling services, and sports medicine.
